

# ELIMINATE RUNNING RUST WITH ELIMINATOR

Many of the ships on the waterfront are finding great benefit in using ELIMINATOR for removing running rust throughout the ship.  
Contact a LASAR Chemicals technical representative at (757) 623-0331 to receive more information.

- | FEATURES AND BENIFITS |  |
|-----------------------|--|
| • VERSATILE           | Removes rust stains from painted and non-skid surfaces                             |
| • FAST ACTING         | Rust stains disappear in seconds   |
| • EASY TO USE         | Spray or roll on surfaces. Allow to sit until rust disappears. Wipe or rinse off.  |
| • LABOR SAVING        | Removing rust stains by cleaning is much faster than painting to cover rust stains |
| • ECONOMICAL          | No need to purchase paint due to rust stains                                       |
